Current Employer: _____

Current Position: _____

Have you had any management experience? Y / N

Have you had any leadership experience (For example: roles, experience, jobs where you demonstrated your leadership abilities but did not have a formal management title) Y / N

Describe Your Management/Leadership Experience (position, employer, years, number/level of people managed):

What are your goals for joining this leadership development series?

Please review our eight (8) principles, which most resonates with you and why? (It could be as a potential growth area, or based on your comfort level)

Commitment Statement

I understand that my success as part of the Emerging Leaders program depends on active participation and shared learning. I understand that this series is comprised of eight - 2 hour sessions that build and my success hinges on my ability to attend all sessions.

I commit to be present, participate fully and prepare for each session as requested.
